President's Message

I would like to take time out to thank all the members, officers, and directors of the club for making this a very good year for the club. Without all of you out there to help we could not have the close fellowship and outstanding club we have. A special thanks to the officers and directors I worked with during the year and at meets. With all of you being so understanding as to our members' needs and wants, I think we have the best car club in America.

I hope to see a lot of you in Atlanta in a week or so. I think everyone will be having a good time. If there is no way you can make it this year, start planning on next year in Kansas City.

We are still looking for a chapter to host the 1990 National, so be sure to contact me if your chapter might want to. Anyone who might want to serve as the National Parts Master contact me before the National.

Hoping to meet all my old friends and a lot of new ones in Atlanta.

Roy E. Sword, President FCA

Editor's Message

This is an exciting month for us. Hope you are just as busy as we are getting ready to travel to Atlanta and show off our Falcon. Hope to meet many new Falcons lovers there and renew old friendships.

This is our first issue to salute a local chapter of the club. We give recognition this month to The Southeast Falcon Chapter of Georgia, our host for this 9th Annual Convention of The Falcon Club of America.

Enjoy this month's issue and let's hear from you. Be patient with us. We have lots of interesting articles and car photos to put in upcoming issues.

Bill and Kathy Woodell, Editors

Technical Help Wanted

We have a 1964 Falcon Sprint Hardtop that needs a new headliner. Can anyone give us explicit directions on how to proceed? Do the windshield and back window have to be popped out? Any help would be greatly appreciated!

Jean Weaver, 3272 Spring Road, Carlisle, PA 17013

Is it true that the full floor pan areas or partial of 1964½ thru 1966 Mustangs will drop right into 1964 Falcon Sprint Convertibles, torque boxes included? What about Mustang inner rocker panels? If so, is there much refitting or cutting to be done? Has anyone ever tried this?

Thanks!

Bob Kollay, 43 N. Maryland Ave., Youngstown, OH 44509

Technical Tip

When doing a V8 conversion on a 60-62, get the firewall and transmission hump out of any 63. All 63 Falcons have a large transmission hump. The firewall and floor easily clears a 302 and FMX automatic. On 60-62 Falcons the firewall has to be cut to clear transmission. I bolted a 63 on my 62 and the ribs and beads in the sheet metal line up perfectly.

Larry White, 4315 E. Epler Ave., Indianapolis, IN 46237.

NOTE TO ALL MEMBERS: The club will send out notices to each member the month before membership expires. Be sure to send your renewal in early to retain your original membership number. If you do not renew your membership within 90 days after it has expired, your membership number will be placed in the inactive file and will no longer be used by the club.

MEET REPORTS

The Keystone Chapter held its first ever formal get-together at Lake Lenape Park on May 14. There were 22 Falcons present and membership at present is 32 Falcon fanatics. During the meeting elections were held for chapter officers and the title Keystone Chapter was officially adopted by the membership. Future events discussed included the chapter's attendance at shows in Macungie and Coopersburg during the month of August.

The Lone Star Chapter held its monthly meeting June 26, 1988, at Colter's Barbeque in North Richland Hills, and twelve members were present. As we have reported the last several months, our work now centers around the regional meet we are planning for October. Individual members have been appointed chairmen of various committees, and the committees are working to ensure smooth registration, secure parking, entertaining activities, and a great banquet to culminate the weekend festivities! We invite ALL Falcon Clubbers to mark their calendars for October 28-30 and join us in Plano, TX, for this meet. Our next meeting will be July 24 in Fort Worth. We will enjoy a picnic together, and families are welcome.

Numerous Mile Hi Chapter members met on June 12 and caravanned down to the U.S. Air Force Academy in Colorado Springs for a wonderful brunch at the NCO Club. Following brunch we visited the AFA Chapel for group Falcon picture, the new visitors center, Garden of the Gods, and the Manitore Springs area before returning to Denver. See photo.

Several Mile Hi members drove their Falcons as "escorts" for the Great America Racers as they entered Aurora on June 26. Only pre 1936 vehicles were eligible to run in this coast to coast event. It was an honor to be included in the escort group for this unique event and brought even more public awareness to the Falcon automobile in this highly publicized cross country race.

Heard of Falcon Motor Oil?

At a recent swap meet, I came across a vender who had some empty tin oil cans. Actually they are new and have never been filled. The lid also comes with the can. The unusual part is that the brand of oil is Falcon Oil. The label on the can says Falcon Motor Oil - Dependable - Tenacious. I talked to the vendor and he said that he would sell them by mail for \$7.50 each, post paid. He also has cans with the brand "Swift" on them. If you put this in the Falcon News, tell the people to ask for the history behind the cans. It is rather interesting. The vendors name and address is: Connie Bartlett, 817 N.E. 46th St, Kansas City, MO 64114

I hope you find this of interest.

Falcon Stars in Movie

How many of you out there who saw the movie *Good Morning Vietnam* with Robin Williams noticed the 68 Falcon 2 dr. sedan parked in front of the restaurant that was blown up by the Viet Cong? The only problem with this (apart from the unnecessary destruction of a Falcon) was that the movie was supposed to have taken place in 1965.

President Gary Goddard tells us that he is very proud of the support of the members. In less than four years their club has sponsored two regionals, one in 1986 and one 1987, and now the 1988 National in Atlanta in August.

Other of us who have seen these members and their Falcons at meets know all about the trophies they have won. Some of the winners are Joe Peppers, Dwight Walls, Lynn Moon Marvin Goddard, Vic Steele, Ricky Keabos, Gary Palmer, Ross Burrell, Leon Goddard, Betty Goddard, Alvin Roberson, Dennis Gossett, Terry Dutton, Mac Ratchford, Ken Mobley, Danny Goss, Perry Goss, Mike Dove and Gary Goddard.

Eleven of The Southeast Chapter Falcons were represented in The Spring Fling II Regional/All Ford Show in St. Charles, MO, in May. Members of the chapter took home 14 trophies from this event.

President Roy has nothing but praise for the two regional sponsored in '86 and '87 by The Southeast Chapter. He is sure this '88 National will be our biggest and best ever meet.

Gary Goddard, President of The Southeast Chapter, extends a warm welcome to all of us to meet his group in Atlanta for a great time with our Falcons.

See ya there!

A salute to . . .
